

**WELCOME** to our annual first Newsletter for the new Festival year.

‘To be or not to be – that has been our question’!

There has been much deliberation over the months and eventually we have settled on a mini-festival of 5 recitals commencing on Friday, 7 January – as usual in the wonderful surrounds of St Patrick’s Cathedral, Ballarat.

Perhaps not in quantity but certainly quality we will present a programme thoughtfully devised by our joint Assistant Directors – Mrs Judy Houston OAM and Dr Gary Ekkel. Judy and Gary have worked under the overarching cloud of not knowing where Covid-19 restrictions may steer the state as the weeks go by and the new year commences.

By starting the Festival on Friday, 7<sup>th</sup> January, we are able to avoid a clash with the National Road Cycling Races which had previously necessitated moving the opening recital to St Alipius Church at almost the last minute. Despite that setback, Festival 2020 was a great success and the feedback suggests that it was enjoyed by all.

Festival 2022 will certainly be different but we fervently hope that our loyal patrons will return in droves and we are certainly looking forward to welcoming you all back.

## **FROM THE DIRECTORS**

Although travel restrictions mean that our director, Sergio de Pieri cannot be with us this January, he is delighted that Dr Gary Ekkel has accepted our invitation to share the assistant director role with me. Those who have been to the festival in previous years know the beautiful recitals Gary has created and directed for our festival over the years and how much we have loved them.

For many months now, our lives have been deeply affected by the reality of the pandemic and its far reaching consequences, the isolation, anxiety, economic hardship, and separation from family and friends.

We have needed the life giving beauty of music and the joy of live performances and of being together in that experience.

As the weather becomes warmer and the vaccination rates increase, Gary and I have been supported by our Board in carefully planning a three day festival which will be both beautiful and safe. We have planned five, very special recitals and chosen venues where audience members can socially distance. Our treasurer plans to hold the traditional outdoor breakfast on the Sunday morning.

The 22<sup>nd</sup> festival will open in St Patrick’s Cathedral, Ballarat where Gary Ekkel will direct a program of arias from smaller Bach and Buxtehude cantatas with soloists Quin Thomson, Sally Anne Russell, Christopher Roache and Oliver Mann, members of the Melbourne Baroque Orchestra’s strings and David Macfarlane, organ. The festival will end in St Patrick’s Cathedral again, with a solo

cello recital by Josephine Vains, inspired by the music of Spain.

We hope that you will be able to be with us in January 2022 – our 26<sup>th</sup> festival.

## **FROM THE CHAIRMAN**

The past two years have certainly been a case of highs and lows. We were very fortunate to complete our 25<sup>th</sup> Festival in January 2020 to great success. Then the pandemic hit and the whole world has changed. As you are aware we had to cancel our 2021 Festival and the uncertainties surrounding gatherings and safety for our patrons proved an ongoing concern. At the time we mentioned that we would endeavour to maintain some form of on-line presence through the year leading up to the 2022 Festival. Regrettably we were unable to source funds for this. As mentioned by Voi we have had some wonderful support from some of our Friends of the Festival which has allowed us to commence planning for a shortened Festival for 2022. Given the continuing upheaval of the pandemic, we are hopeful of presenting the Festival and look forward to enthusiastic support from you, our patrons, making a successful 2022 Festival and giving us a basis for a successful 2023 Festival in the future. Keep watching our Website for further advice.”
